TRACY CHRISTENSEN, PA-C

Orthopaedic Solutions & Sports Medicine Center, PA

Jay R. Parikh, MD

Dr. Jay R. Parikh is a Diplomate of American Board of Orthopaedic Surgery (American Board Certified), fellow of Royal College of Physicians and Surgeons of Canada (Canadian Board Certified), as well as Fellow of American College of Surgeons. Dr. Parikh is experienced and well trained in the field. Dr. Parikh is a highly qualified orthopaedist with extensive training in the diagnosis, non surgical and surgical treatment of the musculoskeletal system, including bones, joints, ligaments, tendons, muscles and nerves. With his professional training and tender bedside manner, patients know they are in capable hands.

Our Physician Assistants

TRACY CHRISTENSEN, PA-C

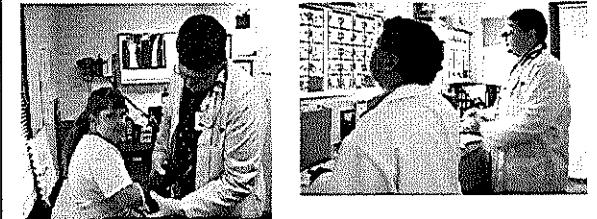

Physician Assistant, Tracy Christensen is dedicated to the patients of Orthopaedic Solutions & Sports Medicine Center (OSSM). Tracy received his Physicians Assistant Degree at University of Utah in 1998. He has been with the practice since October of 2003.

Physician Assistant Jennifer Lane is a new member to the family of Orthopaedic Solutions & Sports Medicine Center (OSSM). Jennifer received her Physicain Assistant Degree from Methodist college in 2008.

Both of the PA's friendly caring disposition makes our patients feel at ease and comfortable. Providing excellent health care they play a vital roll in the welfare of our patients. OSSM strives for patient satisfaction and helping them to return to their normal daily activities. One of our greatest joy here at OSSM, is when the patient is able to walk out of the office with a smile on their face saying, "they got rid of my aches and pain today."
